School Board.

At the monthly meeting of the City School Board held last night there were present : Messrs. Stabler, Yates, Ramsay, Thomson, Bradshaw, Boothe, Carter, Myers and the superintendent. In the absence of the chairman Mr.

Stabler presided. Mr. Stabler reported that ihe committee on schoolhouses and furniture had let the contract for resurfacing and grading the lot at Lee building and for laying the pavement, etc., around that building to Mr. J. T. McMahon for \$1,754; the work of engineering and inspection would cost about \$50 more. which would make the cost of the work about four dollars more than the appropriation. The city engineer had informed the committee that he would have the specifications for the proposed Washington school improvements completed by July 1st.

Several bills were ordered to be paid. The superintendent reported that the State Board of Education was engaged in selecting books for the high schools sent in his recommendations. He askbirthday of President Jefferson Davis, June 3.

The chairman read the state law declaring the day to be a holiday and on on that day.

The dates of closing the schools for the summer holiday were fixed at between June 16 and 21 and the days for closing the different schools were left to the discretion of the superintendent.

The superintendent suggested that the time for electing the teachers be motion of Mr. Carter the suggestion was adopted.
